

Project Sheet

Project	Roadway Works
Location	Nottingham
Client	West Bridgford School
Architect	SRA
Value	£185,000
Contract	JCT Minor Works
Procurement Route	Competitive Tender
Completion Date	March 2013

The Contract involved the complete renewal of the tarmac driveway and footpath from the School main entrance on Loughborough Road up to the car park area. The foul and surface water drains were replaced, together with the installation of upgraded gas and water main pipework. The driveway Contract included the installing of a concrete base and GRP meter cabinet housing adjacent to the new sub-station.
