

PROJECT SHEET

Project Lincoln Castle Steps Tread Replacement

Location Lincoln Castle

Client Lincolnshire County Council

Architect Mouchel

Value £43,000.00

Contract JCT Minor Works Building Contract

Procurement Route Traditional Tender

Completion Date June 2011

The works were to demolish and remove an existing fire escape staircase from the west wall of the castle and for the replacement of step treads to staircases to Cobb Hall and the Observation Tower.

The works also included treatment of structural steelwork, and the removal, refurbishment and replacement of handrails.
