

Project Sheet

Project	Cottage Renovation
Location	Harmston
Client	Private Individual
Architect	Morley Newborn
Contract	Informal
Procurement Route	Negotiated
Completion Date	March 2013

The Contract included the complete refurbishment of three existing cottages, including roofing, painting and decorating, plumbing and electrical. The largest cottage was split into two new dwellings.

The refurbishment was aimed to try and maintain the architectural features of the building, and use these as effectively as possible.
